

## Midland County Youth Study Opt-Out Form

In December 2025, Midland County school districts will be participating in the Midland County Youth Study. Students in grades 6-12 will be invited to participate in a survey to share their experiences and attitudes. The survey is approximately 170 questions long and covers 40 protective factors and 23 risk factors youth may experience.

While participation is encouraged, we realize that some families would prefer not to have their youth participate. If you do not wish to have your student participate, simply complete this form and return it to your school office prior to the survey date.

If you have questions, we encourage you to visit <https://www.tlc4cs.org/youth-survey/> or if you would like to see the survey, you can view it in-person in your school office or at The Legacy Center for Community Success. You can also contact your school office or The Legacy Center if your questions are not answered through these sources.

-----  
Please withdraw my child from participation in the Midland County Youth Study (*Attitudes & Behaviors* survey).
